

Textile Industry

The textile industry is one of the most perspective branches in Maglaj. Our tradition and experienced workforce create the foundation for successful investments and continuous growth of businesses. Moreover, the development of this branch highly contributes to the reduction of unemployment and provides young people with additional opportunities and safe work places.

Successful Stories

•Bontex d.o.o. Maglaj one of the leading manufacturers of women and men shirts in BiH with 100% of its products being exported to foreign markets.

•The company Fine Life Group d.o.o. Maglaj employs over 100 workers and produces women clothing, designing, as well as, manufactures wedding dresses.

•HM Promet d.o.o. manufactures protection clothing for the German market. Within almost 5'000m² it employs around 350 workers and produces over 1700 models, which found buyers like Mercedes, BMW, Nissan and Kia.
